

2022 Junior Golf Lesson Program

Under the direction of PCHS Golf Coaches Jeremy Crouch and Brett McGinnis, Cory Proehl and the Pekin Park District Golf Staff the Junior Golf Program will feature instruction on full swing, short game, putting, rules and etiquette at Lick Creek G.C. Program will also include tee gift and snacks

Each program level below is designed to suit the golfer at different levels. If you have a young golfer who is experienced and would benefit from a more in-depth instruction, please feel free to register them at the appropriate level. Sessions can be altered after program has begun if need be.

Each lesson will consist of a different learning area or focus. We will use developmental strategies that are designed to teach basic golf fundamentals of the game, as well as create an understanding and passion for the game of golf. Training aids may be used to enhance or demonstrate the learning process.
